

NextGen Pastor

Carman Pentecostal Assembly (CPA) is looking for an energetic, creative, godly and Holy Spirit lead individual to fill the full-time position of NextGen Pastor...teaching, equipping and leading the youth and kids of our community.

Located 50 minutes southwest of Winnipeg in Carman, Manitoba, we are a *"come as you are"* community style church that goes by the mission of *"Introducing people to Jesus through caring relationships."* As a family-oriented congregation of over 200 people who consider CPA to be their church home, we desire to walk with each other through life as we love Jesus and love our community.

We have recently completed an expansion project that saw the addition of a Ministry Centre to accommodate our growing NextGen population. With this in place, we are excitedly looking for someone to join the ministry team of CPA to take the youth and kids ministry to the next level for the glory of Jesus Christ!

For more information about the position, requirements and how to apply, please contact:
