I pray you're enjoying the summer and that you're growing in Christ as you work, play, and serve.

Back at Horizon, we've been busy preparing for your arrival this fall. We're excited about several developments that will make 2018-19 one of the best years yet!

First, we can't wait for you to meet some of the outstanding people God has called to Horizon.

**Dr. Harry Strauss** joins us in the combined roles of Registrar and Internship/Ministry Formation Coordinator. Dr. Strauss earned a doctorate at Fuller Theological Seminary, and brings a wealth of ministry experience, most recently from Forest Grove Church, Saskatoon.

**Mrs. Stephanie Christianson** is filling a new position of Academic Assistant, where she will help ensure our academic policy and competency-based education expectations are consistently applied. Stephanie earned her B.A. at Bethany College and M.A. Theology at Briercrest Seminary. We look forward to her teaching our Worldviews course this winter.

**Ms. Rachel Kotei** joins our team as a competent library technician. Rachel (pronounced "Ra-hel") took the library technician program at Sask Polytech and will manage our library resources and capably help our students with all their library-related needs!

Additionally, we welcome Mr. Leighton Tebay and his company PrairieFusion to care for our I.T. needs, freeing pastor Bob to focus on student life. Leighton is an alumnus of Horizon and provided many years of technical service to Bethany College

Finally, this year we are thrilled to offer our students an industry standard e-portfolio experience through *Portfolio* – a service you get to keep for life! Check out <https://portfolio.com/students>.

There is so much to be excited about and thankful for in this season at Horizon. And, in case you haven't received it, check out our special report and updates on our relocation and multi-denominational partnerships: [www.horizon.edu/moving/](http://www.horizon.edu/moving/).

With great expectations and prayers,

Dr. Martini – and the whole Horizon team!
