Course Goals

Course Description

An in-depth study of the person and work of the Holy Spirit, with particular attention to a Pentecostal interpretation and its emphasis on missional empowerment. Included are the gifts of the Spirit, Spirit baptism, and the doctrine of divine healing. Students construct and critically evaluate arguments and practices related to pneumatology.

Relationship to Horizon's Mission

As part of Horizon's mission to prepare competent Christian leaders, this course will help students grow in the following competencies:

- **Biblical and theological Literacy:** demonstrated by skilled interpretation of scripture and evaluation of theological issues in order to articulate how to think, live, and minister in light of who God is, who God's people are, and God's purposes for the world.
- **Spiritual maturity:** demonstrated by participating in and modeling a vibrant relationship with the triune God, practicing core spiritual disciplines, exercising spiritual gifts for the benefit of others, and remaining committed to lifelong spiritual formation, resulting in ever-increasing Christ-likeness.

Core Competencies and Learning Outcomes

To demonstrate competency in *Biblical and Theological Literacy* students will:

1. Create a personal statement of faith regarding the doctrine of the Holy Spirit.
 - Assessment: Statement of Faith
2. Describe and evaluate a classical Pentecostal understanding of Spirit baptism.
 - Assessment: Baptism in the Holy Spirit assignment.
3. Construct a sustained and in-depth theological argument regarding an aspect of pneumatology.
 - Assessment: Research Paper.

To demonstrate competency in both *Biblical and Theological Literacy* and *Spiritual Maturity* students will:

4. Discern the Holy Spirit at work in their personal lives, the Church, and the world at large.
 - Assessment: Discerning the Spirit assignment.
5. Begin to discern their spiritual gifts and evaluate their use of them.
 - Assessment: Discerning the Spirit assignment.

Portfolio Components. *Statement of Faith*. This assignment must be edited and submitted to the “Statements of Belief *e-Project*” in your Portfolio on *Portfolio*.

***Discerning the Spirit paper*.** This assignment must be edited and submitted to the Spiritual Maturity competency page in your Portfolio on *Portfolio*. See the [Portfolio Guide](#): “What Goes in My Portfolio” for further information.

1. *Baptism in the Holy Spirit*

You will describe and evaluate a classical Pentecostal understanding of Spirit baptism, thereby formulating your own understanding of Spirit baptism. To prepare for this assignment you will first read and discuss in class various views regarding baptism in the Holy Spirit. You will then complete this assignment by meeting with the professor for an interview. You are allowed to use your personal notes to assist you during the interview, but you should not be overly reliant on them. In other words, you should be able to talk at length without having to read your notes the whole time. At this meeting you will:

- Explain John Wyckoff’s classical Pentecostal view of Spirit baptism, including why he holds to his view (even if you don’t agree with him).
- Offer your evaluation of Wyckoff’s view of Spirit baptism.
- Explain your own understanding of Spirit baptism and the reasons for your conclusion.

- Respond to questions that the professor may have of you during your discussion.

As you read Wyckoff, watch carefully for places where he is describing someone else's view versus when he is describing his own view. His own view is what he calls "the Pentecostal" view (but not the *Oneness* Pentecostal view). As you prepare for the interview, think about both how *Wyckoff* would answer these questions and how *you personally* would answer these questions:

- Is every believer baptized in the Holy Spirit?
- When is a person baptized in the Holy Spirit?
- How would you answer someone who asked you, "Why should I be baptized in the Holy Spirit?"
- Would you ever say that a believer is not baptized in the Holy Spirit? If no, why not? If yes, under what conditions?
- How can people know if they have been baptized in the Holy Spirit?
- What do you see in the Bible that supports your answers to each of the above questions? What do you see in those passages that leads you to your conclusions?
 - Related learning outcome: 2.
 - **Assignment Length:** 20 min interview. **Due date:** Feb 24.

2. Research Paper

Construct a sustained and in-depth theological argument regarding an aspect of pneumatology. This assignment should be characterized by critical theological reflection and not just a matter of reporting what others have said. Hence, in your thesis statement you will take a position regarding the topic that you are researching, and the remainder of your paper you should aim to support your thesis statement, sometimes by responding to theologians who would disagree with your arguments. You may write on any topic that relates to the content that is covered in this class, as long as it takes the methodological approach of systematic theology (that is, this is *not* a biblical exegesis or historical theology paper). For example, you might discuss the Holy Spirit in relation to healing, the Trinity, the divine attributes, creation, Christology, ecclesiology, eschatology, or theology of religions. For your paper:

- Aim for **2500 words** (min 2300, max 2700 words = about 8 pages), not including your **footnotes and bibliography** (include both of these with your paper).
- Record the **word count** for your paper after your conclusion.
- Draw on research from at least 8 [scholarly¹ sources](#) (dictionary definitions do not count as sources). Your 8 sources should include at least two journal² articles and one book. You are welcome to use your textbooks as sources.
- Follow the general assignment guidelines (below).
- See the Populi lesson, "Notes Regarding Your Research Paper."
 - Related learning outcome: 3.
 - **Assignment Length:** 2500 words. **Due date:** Mar 22

¹ "Scholarly" sources generally include articles published in academic journals and academic books (a book is often not 'academic' if it does not have footnotes or endnotes). You are welcome to use magazine articles and [web pages](#), but these will often not count as scholarly sources.

² There are a number of excellent databases available for searching the contents of many journals at one time. If you request a password from the [Horizon librarian](#), you can access many journals online through the electronic search databases once you login to the [STU Library page](#) (see [this video](#)). An internet search can help you as well (although this would not be as helpful).

3. *Discerning the Spirit*

Based upon your general understanding of the work of the Holy Spirit, you will describe how you see the Holy Spirit at work in your personal life, the Church, and the world at large. To prepare for this assignment you will first complete the **Discerning Spiritual Gifts lesson** on Populi. This involves taking an online spiritual gifts inventory and discussing the results with at least two people you trust (***due Wed, Apr 7**). Once you have adequately prepared, you will complete this assignment by either *writing a paper or preparing a video documentary or presentation* on “Discerning the Spirit” (***due Fri, Apr 9**). For your assignment:

- Follow the general assignment guidelines (below).
- If written, aim for **1900 words** (min 1700, max 2100 words = about 6 pages) not including your **footnotes and bibliography** (include both of these with your paper). Record the **word count** for your paper after your conclusion.
- If a video documentary or presentation, aim for **15 minutes**. You will also submit your **bibliography and your point-form research notes** (indicate your sources) that must be structured according to the outline below.
- For research, you only need to draw on the class material, but you must draw on and cite class lectures and your reading from Gabriel and Cole.
- Include headings and subheadings for the following sections of your paper or research notes. Explain (**about 5 pages**) the *ways* you believe and *why* you believe the Spirit works and is working in:
 - Section 1: individual people and in you in particular. As one part of this, you will comment on your *spiritual gifts*.
 - Section 2: the Church and in your church in particular.
 - Section 3: the world at large (e.g., nature, culture, politics), that is, outside of Christians.

As you address the above points, be sure to explain the *theological reasons* for your conclusions and also to give *specific examples* to illustrate how you discern the Spirit has been or is working in these three spheres.
 - Section 4: (**about 1 page**) In light of the above content, describe multiple specific ways that you believe *you need to respond to the Spirit* as a result of what you have said in the paper. This should include both how you should *continue* (e.g., praying for the salvation of loved ones) and how you should *change* (e.g., celebrate how the Spirit is working in a particular way that you hadn’t realized before). As a part of this section of your paper, you will comment on your use of *spiritual gifts* in ministry to others.
- Related learning outcome: 4.
- **Assignment Length:** 1900 words or 15 minutes. **Due dates:** Apr 7 & Apr 9

4. *Statement of Faith*

To add to the statement of faith (SOF) you likely already completed in Theology 1 and 2, you will write a statement about what you believe regarding the Holy Spirit. You should address what you read about in the textbook as well as issues discussed in the lectures. To some extent, you can condense much of what you write in your Discerning the Spirit assignment. For your SOF:

- You will write about 1/3 page, to a maximum of 1/2 page.

- Please do not include quotations from Scripture in the body of your SOF. You may include Scripture references in parenthesis. For example: Jesus came to save (John 3:16).
- To sufficiently demonstrate competency, your SOF should employ theological vocabulary, explain beliefs with some detail, and address both historical consensus issues in the church as well as areas where evangelical Christians display diversity of belief.
 - Related learning outcome: 1.
 - **Assignment Length:** 1/3 page. **Due dates:** Apr 14

Video-on-Demand (VOD) Student Requirements

As indicated on the course schedule, this class is being offered by VOD. Students who intend to take the course primarily through VOD are required to indicate this during their course registration. While VOD recordings are available for any student who may miss a class, non-VOD students are expected to attend class live following the class attendance policy.

- For this course, VOD students have *some different assignment due dates* from in-class students.
 - Discerning Spiritual Gifts Populi Lesson: Monday, April 12
 - Discerning the Spirit: Wednesday, April 14.
 - Statement of Faith: Friday, April 16.
 - All remaining assignments do *not* have adjusted due dates and are due on the dates indicated in the course schedule.
- Each week, VOD students are required to watch and engage with all of the recording from that week’s classes. At times, this will include submitting reading notes in lieu of participating in a live class discussion.
- By Monday at 11:59pm each week, VOD students will either meet with the professor or submit a report. In either case, they will 1) affirm they have watched the required recording for the last seven days, 2) summarize one thing they learned that week that will help them reach the course learning outcomes, and 3) explain at least one question they had after watching the class recording. To submit their report:
 - VOD students can plan to meet with the professor live on Zoom each Friday or Monday at a consistent, designated time. Students who are going to take this option should plan a time with the professor as soon as the course begins.
 - Alternatively, each week VOD students will submit their report to the “Class Discussion” board (300 written words or 2-3 minutes of audio or video).
- In order to pass the course, VOD students must submit all of their VOD weekly reports. These submissions are subject to the late assignment policy and are marked as pass/fail based on whether or not they demonstrate thoughtful engagement with the class material.

Academic Policies

General Assignment Guidelines

Please see the Horizon [Format Guide](#) for assignment submission, grammar, and formatting guidelines. In addition, please note: I will accept submissions on [Populi](#) in either **MSWord format** (doc or docx is fine) or as **PDF files**.

Late Assignments and Extensions

Students are expected to submit work by the assigned due dates, as part of their development of the Leadership and Administration competency. To submit extension requests, students must submit the [Assignment Extension Request Form online](#) and *before the due date*. Professors may grant extensions in the case of extenuating circumstances, such as significant illness or a family emergency. Furthermore, no extensions will be granted beyond the final day of a term or semester.

A late assignment will not be assessed until the student first meets with the professor or the Adjunct Faculty Assistant to discuss whether the student's reasons for the late submission are acceptable. Unexcused late submissions will be tracked across each student's program. If one assignment is submitted more than five days late or if a student incurs multiple instances of unexcused late submissions, it will result in academic discipline, such as required tutoring, academic probation, failure of the course, or failure to qualify for graduation. Similar to standard human resource employment practices, students will receive warnings and conditions with increasing severity of academic discipline.

Resubmission of Assignments

Students have until the Friday of revision week to submit revisions, and students can only submit up to two revisions for each assignment. Students should follow the revision schedule outlined above.

Horizon College Assessment of Student Work

The goal of courses is to help students develop the stated competencies, not earn letter grades. Assignments are the means by which instructors evaluate development of those competencies. Consequently, students do not earn overall "grades" on individual assignments. Instead, assessment focuses on measuring students' competency as outlined in the syllabus and assignment rubric. For purposes of transferability to other institutions, the final competency designations will be translated to a comparable letter grade on a traditional transcript. The tables below explain Horizon's approach:

Horizon CBE Scale		Descriptor	Letter Grade	Grade Point	U of S Equivalency
E	Exceeding	Student exceeded competency requirements for some learning outcomes and met requirements for all remaining learning outcomes.	A+	4.0	90-100
			A	4.0	85-89
			A-	3.7	80-84
M	Meeting	Student met competency requirements for all learning outcomes and may have exceeded in one.	B+	3.3	77-79
			B	3.0	73-76
			B-	2.7	70-72

Students pass a course only after they have demonstrated that they have *met or exceeded all* competency requirements for a course. If the student chooses not to meet all course competency requirements, the course will not be sufficient to fulfill their program requirements at Horizon. Nevertheless, for transferability purposes, the student will receive a letter grade of C+ or below on a traditional transcript.

BTM	Beginning to meet	Student was beginning to meet competency requirements for any one or more learning outcomes, and met or exceeded competency requirements for all other outcomes.	C+	2.3	67-69
			C	2.0	63-66
			C-	1.7	60-62
NYM	Not yet meeting	Student was not yet meeting competency requirements for one or more learning outcomes.	D+	1.3	57-59
			D	1.0	53-56
			D-	0.7	50-52
			F	0.0	0-49

Academic Honesty

Horizon uses the University of Saskatchewan definition of plagiarism described as “the presentation of the work or idea of another in such a way as to give others the impression that it is the work or idea of the presenter. Adequate attribution is required. What is essential is that another person have no doubt which words or research results are the student’s and which are drawn from other sources” (Office of the University Secretary, 2012). Students are expected to give due recognition to sources from which all substantial phrases, sentences or even ideas are drawn. Note also that you may not submit work done in one course to satisfy the requirements of another course (unless both instructors agree beforehand to accept such work). See [here](#) for examples of plagiarism and further guidelines in the College [Student Handbook](#).

Disability Services Information

If you would benefit from learning accommodations due to pre-existing physical or mental health conditions or learning disabilities, contact the Academic or Student Life departments at the beginning of the course. Horizon will work to meet your learning and/or physical needs where possible. If any conditions arise during the course that you wish to disclose, please contact us as soon as possible. In all cases you will need to provide current [documentation](#) of the disability or condition you wish to disclose. Horizon takes appropriate care to ensure confidentiality about any such disclosures. For more information, contact Bob Williamson, Dean of Students, at bwilliamson@horizon.edu; Heather Wood, Associate Dean of Students, at hwood@horizon.edu; or Leanne Bellamy, Academic Coach, at lbellamy@horizon.edu.

Class Attendance

Students should attend all classes in order to facilitate competency development. In the case of illness or other unforeseen circumstances, students may miss one day of a module course or three days of class in a term or semester course without academic penalty. A student must be present for the full duration of a class period in order to be registered as present for the class. Students who are absent for more than the number of classes stated above will automatically fail the course. Students wishing to be exempted from this policy due to extenuating circumstances may make an academic appeal, where they will need to document and verify those circumstances. Students who miss a class are responsible to get missed notes or handouts from another student, rather than from the professor.

Campus Health Policy

While on campus, please maintain 2 metres of physical distance between yourself and others. Do not come on campus if you are experiencing symptoms (even if they are mild) of fever, cough, shortness of breath, sore throat, chills, runny nose, or a loss of your sense of taste or smell. If you have any of these symptoms, do not return to campus until advised by Public Health. You should self-isolate and contact HealthLine 811 for advice on whether you should be tested for COVID-19. This will help keep others safe and possibly spare them from self-isolation and testing. While you are in self-isolation, you may attend class online. The link to access your class is posted on the course page on Populi, under the Syllabus tab, under Links on the right side of the page.

Live-Streaming Etiquette

If attending class online via live-stream, keep your camera on and stay present and attentive throughout the class session. Access your class with a computer (preferably) or tablet, not a cell phone. Arrive to class on time, and dress as you would if you were attending class on campus. Join the class from a quiet space with minimal background noise, and mute your microphone until you wish to speak to the class.

Use of Technology

Horizon encourages the use of electronic devices in the classroom to enhance learning. Careful consideration must be given to privacy issues, copyrighted materials, and the general care and concern for others. Please respect the following classroom policies:

- Please use online access for course learning only. This is a matter of respect for the instructor's teaching, your own learning, and fellow students who may be distracted by other uses.
- Students should secure permission from the instructor to record any teaching material. This includes PowerPoint slides, white board illustrations, notes, and any form of audio or video.
- Student feedback is a valuable input for course improvements. Please resolve any classroom grievance about the instructor or course with the instructor personally, through the Horizon College and Seminary grievance procedures, or the Populi-based course evaluations. It is inappropriate to air classroom grievances on a social media platform.
- When instructors use recording mechanisms in the classroom, recorded materials will be used for the sole purpose of instruction and cannot be released to any social media outlet without the written consent of the students whose images have been recorded.

- In general, it is not acceptable to share photographs or videos of students in the classroom setting without permission from those whose images appear in such media.
