

## COLLEGE PROGRAM OPTIONS

Canada's Competency-Based Christian Leadership College

Horizon is a multi-denominational, biblically based, Christian leadership college and seminary in the heart of the Canadian prairies.

We teach the Bible as an essential part of our curriculum, with a focus on what you can *do* with that teaching as you integrate it into your life and vocation.

STUDY THERE + STUDY HERE

### Horizon PLUS+

programming allows students to customize their Christian or ministry studies with approved training from a **variety** of educational institutions. Contact us today to see how certification from a university, college, or technical school might combine with one of our degree options!

For information, call (877-374-6655), visit [www.horizon.edu](http://www.horizon.edu) or email [info@horizon.edu](mailto:info@horizon.edu)

You can choose to begin your studies with Horizon and then pursue other education in anything from engineering to nursing to carpentry. If you complete a full degree at Horizon, there are many possible career paths. You can also pursue graduate level studies in areas such as biblical studies, theology, ministry, counselling, or leadership.

No matter the path you choose, God has a plan for you. Your life and ministry matter. Bless you!

Not sure what direction to take?

Our Certificate programs can join further programming paths, or serve as a stand-alone, **enriching experience.**

One year of study at Horizon will equip you with **essential life skills** that will help you succeed in whatever job or schooling you take after your time with us. You'll come away with:

- Better **written & oral communication skills**
- Greater **personal awareness**, supported by **industry-standard reports**
- Ministry **experience** for your résumé
- Basic **Christian worldview** formation
- **Bible interpretation skills** and practices to enhance your spiritual life
- Basic **leadership skills**
- The **Global Leadership Summit** experience

## CERTIFICATES

8 months\*

### Certificate in Christian Leadership

Psychometric testing, formation in Christian worldview, biblical awareness, foundations in leadership, and essential life skills. This program also serves as the first full year of a multi-year program at Horizon. There is also a **Credential Track** program for those wishing to earn the minimum academic requirements for the Recognition of Ministry credential with *The Pentecostal Assemblies of Canada*.

### Advanced Certificate in Ministry Leadership

16 months\*

Building on the 8-month Certificate, the focus broadens from the individual to inform Christian awareness of church and world, and can serve toward Diploma and Degree programs at Horizon.

### Advanced Certificate in Christian Studies

16 months\*

Expanding on the 8-month Certificate with increased course electives to suit student interests.

\*Duration estimated on average full-time completion rates of 10 courses per 8-month period. Actual completion rates vary based on individual student course loads.

Partnership with **multiply**

8 months\*

### Global Discipleship Certificate

Combining studies at Horizon with 6 weeks of participation in ACTION, a 6-week discipleship training and cross-cultural mission experience for young adults. Serve overseas for 1 month alongside long-term missionaries and local churches.

24 months\*

## DIPLOMA in Pastoral Leadership

This classic program provides the minimal requirements for professional ministry in some denominations and includes a 4-month internship.

Lead effectively in your Christian life and ministry, serving God and advancing His Kingdom.

## DEGREES

24 months\*

### BA Christian Studies

This non-vocational program introduces necessary skills and knowledge to effectively live-out the Christian faith in the church and the world. The program includes many electives, giving students a high level of flexibility so that they can study in areas that most interest them.

32 months\*

### BA/BTh Pastoral Leadership

Our standard for pastoral ministry training, including over 100 hours of ministry formation experience plus an additional 8-month internship to enable students to enter pastoral ministry prepared.

32 months\*

### BA/BTh Ministry Leadership

This program includes 100+ hours of ministry formation experience plus an 8-month internship, setting students up for ministry in or outside of the church.

24 months\*

### BA/BTh Youth Ministry

In partnership with Sask Polytech and the YWC Coalition for Youth Ministry Leadership, Horizon offers two paths to complete this degree, giving students flexibility in their training to become holistically equipped for youth ministry.

16 months\*
