

SPRING 2026 SEMINARY TEXTBOOK LIST

Students may access textbooks in one of two ways:

1. The Digital Theological Library

Students have the benefit of accessing **many** of their textbooks **online** through the [Digital Theological Library](#) (DTL). Textbooks on the DTL are available to **access** (not order or purchase), similar to borrowing a library book. Contact the library if you have difficulty finding or accessing content.

Please note that students will not have access to the DTL upon graduation. Therefore, we encourage students to purchase select textbooks to build their personal library.

2. Purchase

Students may also choose to purchase books. This is a good option for building a personal library, **obtaining books not available on the DTL**, or for students who prefer to read books in hard copy. When purchasing books, please place your orders as soon as you receive this list in order to receive your order well in advance of your class start date. Consider purchasing textbooks through the following avenues:

- [Kennedy's Parable](#) **For your convenience, Horizon has partnered with Kennedy's Parable to provide textbooks through their online store. Please place your order at least 2.5 weeks in advance.
- The publisher's website (e.g., IVP Academic, Zondervan, Baker Academic, etc.) **Note: Most publishers' websites will be in American currency.
- [Christian Book](#) **Note: American currency.
- [Amazon.ca](#)
- [Indigo](#)
