Lead Pastor – Springs of Life Family Church (Saskatoon, SK)

We are seeking a full-time Lead Pastor for our small, established, multi-generational church. We are affiliated with the Apostolic Church of Pentecost (ACOP) of Canada. Our congregation is looking forward to your leadership into the next season of kingdom impact that God has for us. As one of Canada's fastest-growing multicultural cities, Saskatoon presents a unique mission field. We believe God has placed us here to reach it, and we are looking for a pastor who shares that conviction.

Key Components for the Lead Pastor Role

1. **Leadership:** Cast and clearly communicate a vision with strategic plans, in partnership with the Board of Elders. Work with the Board of Directors (deacons) to ensure financial stewardship. Raise up and equip lay leaders and ministry teams.

2. **Strategic Outreach:** Lead and equip the congregation to be outward-focused, with evangelism leading to disciple-making across Saskatoon. Help the church become a visible, active presence in the city to advance the gospel.

3. **Spiritual Coaching and Care:** Deliver engaging, biblical teaching and preaching grounded in Pentecostal theology that applies to real life. Foster spiritual maturity and involvement in small groups. Provide intentional pastoral care that builds authentic relationships.
